07 We Use a Unique Team-Based Approach To Guide Our Applicants

At The Red Pen, you are paired with two experts. In addition to packages and standalone services, we provide several unique offerings:

- Medical interview preps with a UK- based doctor who is an examiner
- India's first Wharton TBD simulation for MBA applicants
- Entrance test invigilation support for UK boarding schools

09 All Our Services Are Tailored To Meet Our Applicants' Needs.

We do not adhere to one-size-fits-all solutions. Whether you choose a comprehensive package or a standalone option, our counsellors assess your profile and tailor the service to your needs. This commitment ensures you receive the guidance that best suits your academic journey.
