Our Commitment to Boarding School Guidance

In addition to our one-on-one counselling services, The Red Pen has hosted a series of boarding school fairs to help families explore leading Indian and international options and engage directly with school representatives. These events not only strengthen our relationships with leading boarding schools worldwide but also deepen our insights, enabling us to guide families more effectively as they consider this path.

In the past year alone, we hosted the following events, with 35+ leading boarding schools from around the world placing their trust in us to represent them in India:

- Webinar: Boarding Schools Beyond Borders, August 2025
- In-Person Event: World Boarding School Fair, September 2025
- In-Person Event: British Boarding School Fair, March 2026

Summer Programmes at Boarding Schools

In addition to guiding families on full-time boarding options, we also support students interested in short-term experiences. Several of our students have attended summer programmes at prestigious boarding schools, gaining early exposure to international education and campus life.

Some of the boarding school summer programme partners are:

SEVENOAKS SCHOOL
SUMMER PROGRAMMES

and many more...

The Red Pen recognises that this success results from a collective effort, which includes the dedication of parents, well-wishers, and students. We're honoured to have played a part in our students' application journeys, and thank all those who trusted us. If you want to know more, please get in touch with us.
